

DEFINE YOUR
PRIME

How it Works

Glucose is the primary source of energy for the body. As you eat, your body sees a sharp increase in glucose levels. To manage this influx of energy, your body must produce a significant amount of insulin. When it does so, your glucose levels are reduced relatively quickly, but your insulin levels stay high. This, unfortunately, eliminates the need for the body to tap into its fat reserves for energy.

When taken before a meal, Balance combats this issue by providing a more mild release of both glucose and insulin into your system. Then, as those levels reduce, your body can finally use its fats cells for energy—burning away those fat reserves.

with Uricity Balance

4-4-12 Principle

The 4-4-12 Principle is a simple way to ensure your body is getting the most energy possible out of the food you're already eating, eliminating the need to snack between meals, and burning the fat you're not using.

Living the 4-4-12 Principle

There are three simple steps to following the 4-4-12 Principle and reaping the benefits:

Step 1 Eat a high-protein breakfast of **UNICITYCOMPLETE**, and then wait at least 4 hours to eat lunch.

Step 2 Drink Balance 10 to 15 minutes before eating a healthy lunch, and then wait at least 4 hours to eat dinner.

Step 3 Drink Balance 10 to 15 minutes before eating a healthy dinner, and then wait at least 12 hours to eat breakfast.

If you do need a snack between meals, a drink of **UNICITYMATCHA** will not only help you feel revitalized, but it will help keep you hydrated as well!

So why does 4-4-12 work?

Your body has a tendency to use the most readily available source of energy first. So if you snack throughout the day, your body has no reason to tap into its fat reserves—or even into your last main meal—for energy. Uricity Balance slows the rate at which glucose is absorbed into the body and reduces the amount of insulin produced, ensuring your body is using the energy from your meals throughout the day; and 4-4-12 creates a period of time when your body needs to use its fat reserves as its principal source of energy, giving your body a reason to burn the fat it has.

BEFORE AFTER

LORI SCHULTZ

"Uricity took all of the important components of health and put them together. I am now able to be the confident trainer and role model I need to be."

Lori's Story

A Balanced Life

Unicity strives to make life better by developing products that promote harmony between mind and body. The mind's dependency on the body is no modern concept. In fact, some 2500 years ago the Buddha noted, "To keep the body in good health is a duty, for otherwise we shall not be able to trim the lamp of wisdom, and keep our minds strong and clear."

One such product to harmonize body and mind is **UNICITYBALANCE**, a natural weight loss supplement that increases energy levels and burns fat. It has an enduring, medically-proven track record of success in helping people gain control of their bodies, and ultimately their lives. This product will empower you to live the prime life and reach your highest aspirations.

Today's Story

Two Formulas

Each formulation of Balance is a quality product designed to help promote weight loss, balance digestion, and maintain healthy cholesterol and glucose levels. However, the variation in formulas allows the benefits of the product to be tailored to the needs of different individuals.

Balance's Bios Life Formula for Healthy Cholesterol Support is geared more specifically for those individuals looking to lose weight and has additional cholesterol management benefits. For those looking to lose pounds and inches, as well as achieve an overall balance to their life, Balance for Cholesterol is an excellent choice.

Balance's Bios Life Formula for Healthy Glucose Support is designed to help people who are focused on maintaining healthy glucose levels. While this formula will still help with weight management and supporting healthy cholesterol levels, those who are concerned about maintaining their blood glucose levels will find a more tailored experience with Balance for Glucose.

More Info

1 BIOS LIFE FORMULA FOR CHOLESTEROL SUPPORT

Supplement Facts		Servings Per Container 60	
Serving Size 1 Packet (7.25 g)			
Amount Per Serving		% Daily Value*	
Calories 15			
Total Carbohydrate	5 g	2%	
Dietary Fiber	4 g	16%	
Soluble Fiber	4 g		↑
Other Carbohydrates	1 g		↑
Vitamin A (100% as Beta-Carotene)	750 IU	15%	
Vitamin C	45 mg	80%	Vitamin E 20 IU 70%
Thiamin	2 mg	130%	Riboflavin 2 mg 120%
Niacin	26 mg	130%	Vitamin B-6 7 mg 350%
Folic Acid	220 µg	60%	Vitamin B-12 25 µg 420%
Biotin	20 µg	6%	Calcium 60 mg 6%
Zinc	2.33 mg	15%	Chromium 100 µg 80%
Biosphere Fiber™	3822.1 mg		↑
Guar Gum, Gum Arabic, Locust Bean Gum, Maltodextrin, Citrus Pectin, Oat Fiber, Beta Glucan			
Unicity 7x™	1700.0 mg		↑
Proprietary Blend of Plant Derived Polysaccharides, Natural & Artificial Flavors, Citric Acid, Calcium Carbonate			
Bios Cardio Matrix™	1018.5 mg		↑
Phytosterols, Chrysanthemum Morifolium (Flower Bud), Policosanol (Sugar Cane Extract)			
Bios Vitamin Complex™	350.0 mg		↑
Calcium Carbonate, Vitamin C (Ascorbic Acid), Chromium, Vitamin A (Beta-Carotene), Vitamin E (d-alpha Tocopheryl Acetate), Niacin (Niacinamide), Zinc (Zinc Gluconate), Vitamin B6 (Pyridoxine HCl), Vitamin B12 (Cyanocobalamin), Folic Acid, Vitamin B1 (Thiamin HCl), Biotin, Vitamin B2 (Riboflavin)			

*Percent Daily Values are based on a 2,000 calorie diet. Your daily values may be higher or lower depending on your calorie needs.
 †Percent Daily Value is not established.

OTHER INGREDIENTS: Orange Juice Powder, Citric Acid, Sucralose.

2 BIOS LIFE FORMULA FOR GLUCOSE SUPPORT

Nutrition Facts		Servings Per Container 60	
Serving Size 1 Packet (7.25 g)			
Amount Per Serving		% Daily Value*	
Calories 10			
Total Fat	0 g	0%	
Sodium	0 mg	0%	
Total Carbohydrate	5 g	2%	
Dietary Fiber	4 g	16%	
Soluble Fiber	4 g		↑
